All praises are for Almighty Allah, the Owner of the universe, and peace and blessings on His messenger.

We, the management of Muslim Center of Manhattan, Inc. wishes to inform our brothers and sisters of our success in the help to West Africa, especially Gambia. Your contributions have made it possible for our help to extend to the poor in many different localities in the Gambia.

Thanks should also be given to members of Humanitarian Development Foundation for their effort in making our food distribution so efficient.

Humanitarian Development Foundation, based in the Gambia, is a charitable organization committed to serving the poor and needy of the Gambia.

We have experienced their efficient system of sorting out the extreme poor as the first priority, where help should be given. However, their disability is not having any vehicle for transportation and delivery.

We have made a pledge, based on your financial support, Insha Allah, to raise \$20,000.00 to help them in acquiring two vans, to make their job easier in food distribution to different parts of Gambia.

Please assist us in this noble cause and also in our other projects, Insha Allah. May Almighty Allah reward all of you with the best in this life and the best in the hereafter.
